

BetKudos Play Money T&Cs

Updated 8.10.21

1. Entrants must be over the age of 18, or above the legal gambling age in your jurisdiction.
2. Each weekly tournament will be independent - maximum number of entrants, prize pool amount, registration/start dates and payout structure will change on a weekly basis, and changes will be communicated to users on the thread on bitcointalk.org before the start of each competition week.
3. All prizes will be paid out in USDT, and confirmed blockchain transaction links (TX id) will be posted on the forum.
4. Real Crypto Deposit/Withdrawal and Transactions through the betkudos.io platform will be disabled during play money phase.
5. Users must have a BTC talk forum account in good standing prior to Registration.
6. Users can only make maximum one BetKudos account per person and per IP. Also we will monitor for similar device logins to prevent fraud.
7. BetKudos reserve the right to disqualify competitors if we deem them to be multi-accounting, abusing T&Cs for fraudulent gain, and/or playing from the same IP.
8. Placed bets must settle before the tournament end date to be valid.
9. Users must place at least 1 bet to be legible for entry for competition game weeks.
